## MORE SOLIDARITY FOR A BETTER WORLD

COMMUNITY CENTER "OSWOBOJDENIE-1884"

### PARTICIPANT PROFILE

- Young girls between 18 and 30 years old.
- Young person with fewer opportunities – including economic, social, geographical obstacles etc.
- Kind and tolerant young people who have good behaviors.
- Serious young people ready to help and to work 6 MONTHS

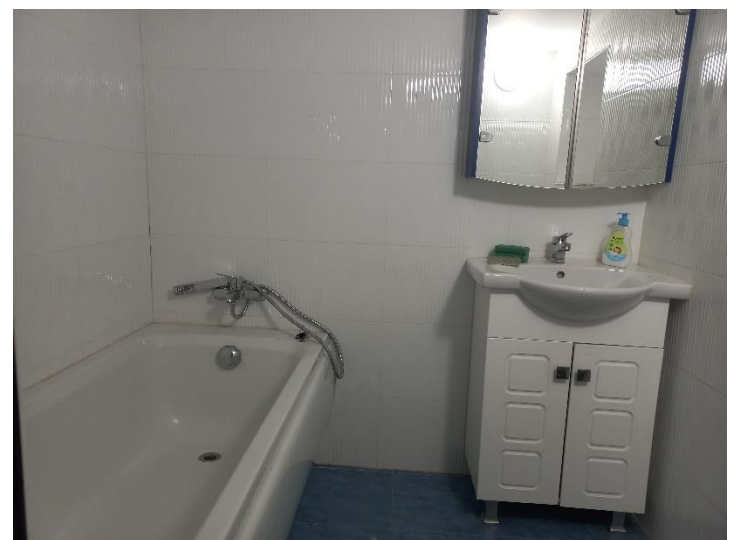

The activities are non-formal learning and give the volunteers the opportunity to express their solidarity, develop different competencies and abilities. The activities are highly social. They are related to helping children and young people with disabilities and to the elderly. Another part of the activities requires learning about Bulgarian traditions and customs to organize festivals, activities with children, exhibitions, etc. for the local population. Young people will be able to get to know Bulgaria, Bulgarian folklore and Bulgarian people. During the project the volunteer will learn Bulgarian language and will have the opportunity to discover Bulgarian folklore. Will have the opportunity to develop his social skills and competencies. The volunteers will take part in on-arrival training, organized by the Bulgarian NA.

Accommodation, food and transport are free for the volunteers. The transport fees will be reimbursed after the arriving of the volunteer in Bulgaria. The duration of the project is 6 months. The activities start on 1st of April and finish on 30th of September. Every month the volunteer will receive 210-euro pocket money and 250-euro food money. The vacation of the volunteer is 12 days. He has 2 days holiday during the week. The working week is between 30 and 36 hours. Volunteers will have at their disposal a house with their own room and all necessary for a normal stay.

**THE VOLUNTEER WILL BE SUPPORTED BY  
COORDINATOR, SOCIAL WORKERS AND MENTOR!**
